01

Madhukamini Desi

Murraya paniculata · Rutaceae

Also called Orange Jasmine · Kamini

Glossy evergreen shrub covered in small, sweetly scented white flowers several times a year. The local type grows tall and makes a dense, fragrant hedge.

 Pet safety varies

SUN
 Full sun

WATER
 2–3 times a week in
 summer

SOIL
 Garden soil +
 compost

GROWS TO
 2–3 m (can be
 trimmed)

CARE
 Easy

✦ *Did you know?*

Its flowers smell like orange blossom, which is why it is called Orange Jasmine. It belongs to the same family as lemons and curry leaf.

PERFECT FOR

Garden

Hedge

Entrance

WHY YOU'LL LOVE IT

- ✓ Strong, sweet fragrance
- ✓ Makes a thick privacy hedge

CARE TIPS

- 💡 Trim after flowering to keep it bushy
- 💡 Feed with compost before monsoon

 Flowers Mar–Oct

02

Madhukamini Dwarf

Murraya paniculata (dwarf) · Rutaceae

Also called Dwarf Orange Jasmine

A compact form of Madhukamini with smaller leaves and the same fragrant white flowers. Ideal for pots, low hedges and balcony planters.

 Pet safety varies

SUN
 Full sun

WATER
 When top 3 cm soil
 is dry

SOIL
 Potting mix +
 compost

GROWS TO
 60–120 cm

CARE
 Easy

✦ Did you know?

Murraya flowers attract bees and butterflies, and the small red berries that follow are a favourite of garden birds.

PERFECT FOR

 Pots

 Balcony

 Borders

WHY YOU'LL LOVE IT

- ✓ Fragrance in a small space
- ✓ Easy to shape into balls or low hedges

CARE TIPS

- 💡 Give at least 4–5 hours of sun
- 💡 Pinch tips to keep it compact

Like this plant?

Tap the button or scan the code to ask about price and availability.

 Enquire on WhatsApp

03

Plumeria Alba

Plumeria alba · Apocynaceae

Also called White Champa · Frangipani

Classic white Champa with yellow-centred, fragrant flowers on thick branches. Very hardy and loves the hot Indian summer.

FRAGRANT
blooms

📅 Flowers Apr–Oct

🐾 Keep away from pets

SUN
Full sun

WATER
Once a week; less in winter

SOIL
Well-draining sandy soil

GROWS TO
3–6 m tree

CARE
Easy

✦ Did you know?

Plumeria is named after the French botanist Charles Plumier, who described it in the 1600s.

PERFECT FOR

Garden

Entrance

Terrace

WHY YOU'LL LOVE IT

- ✓ Fragrant flowers from summer to monsoon
- ✓ Very drought tolerant

CARE TIPS

- 💡 Never let roots sit in water
- 💡 Milky sap can irritate skin

Like this plant?

Tap the button or scan the code to ask about price and availability.

 Flowers Apr–Oct

04

Dwarf Champa

Plumeria (dwarf type) · Apocynaceae

Also called Dwarf Frangipani

A compact Champa with short, thick branches and clusters of fragrant flowers. Blooms even when small, so it suits pots and terraces.

 Keep away from pets

SUN
Full sun

WATER
Once a week in summer

SOIL
Sandy, fast-draining mix

GROWS TO
60–150 cm

CARE
Easy

✦ *Did you know?*

Champa flowers have no nectar. They attract night moths with their scent alone.

PERFECT FOR

 Pots

 Terrace

 Balcony

WHY YOU'LL LOVE IT

- ✓ Flowers in a pot
- ✓ Low water, high reward

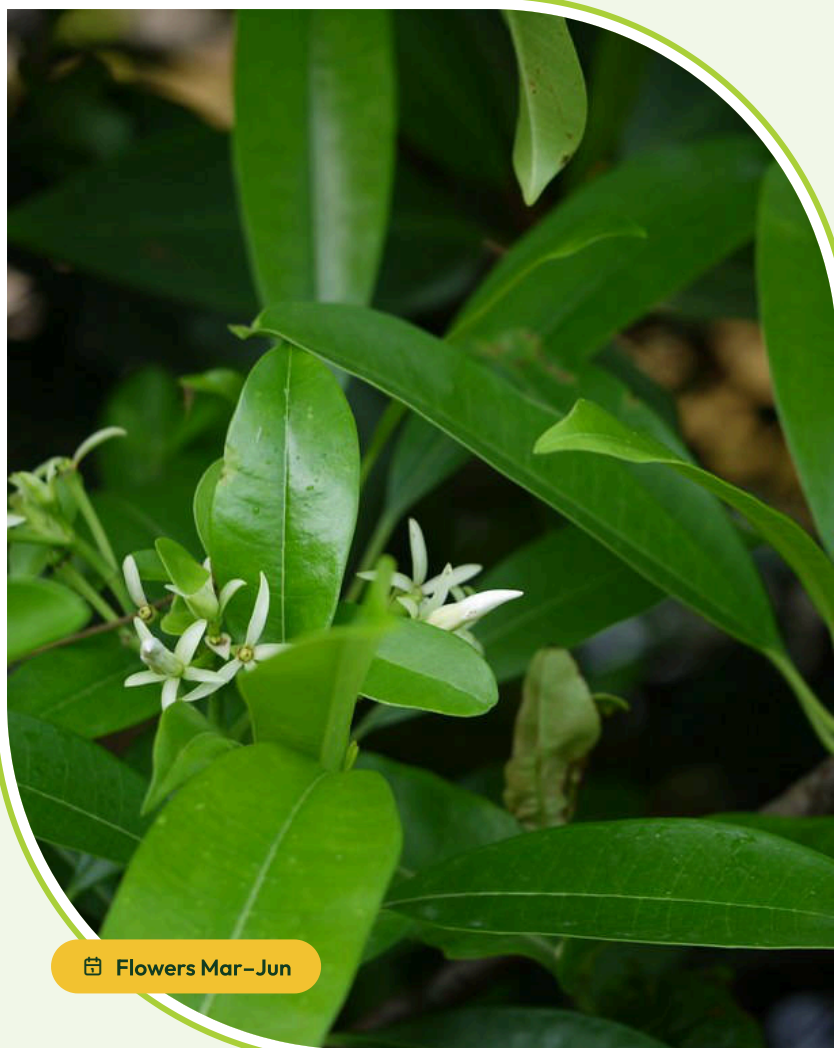

CARE TIPS

- 💡 Full sun gives the most flowers
- 💡 Use a heavy pot so it does not tip over

Like this plant?

Tap the button or scan the code to ask about price and availability.

 Flowers Mar–Jun

05

Pong Pong Champa

Cerbera odollam · Apocynaceae

Also called Pong-pong tree · Othalam

Glossy-leaved tree with fragrant white flowers that have a yellow eye, similar to Champa. Thrives in heat and moisture.

 Keep away from pets

SUN
 Full sun

WATER
 2–3 times a week

SOIL
 Moist garden soil

GROWS TO
 4–8 m tree

CARE
 Easy

✦ Did you know?

It grows naturally in coastal swamps and backwaters, including in Kerala.

PERFECT FOR

 Garden

 Entrance

WHY YOU'LL LOVE IT

- ✓ Lush, glossy, tropical look
- ✓ Fragrant white flowers

CARE TIPS

- 💡 All parts, especially the seeds, are highly poisonous
- 💡 Plant away from children's play areas

Like this plant?

Tap the button or scan the code to ask about price and availability.

 Enquire on WhatsApp

06

Kaner

Nerium oleander · Apocynaceae

Also called Oleander · Karen

Tough evergreen shrub with long leaves and clusters of pink, red or white flowers almost all year. Handles heat, drought and dust.

 Flowers all year

 BEGINNER
pick

 Keep away from pets

SUN
 Full sun

WATER
 Once a week once
 settled

SOIL
 Any well-drained
 soil

GROWS TO
 2-4 m

CARE
 Easy

 Did you know?

Oleander is so hardy that it is often planted on highway dividers across India.

PERFECT FOR

Garden

Hedge

Roadside

WHY YOU'LL LOVE IT

- ✓ Flowers almost all year
- ✓ Survives heat, dust and drought

CARE TIPS

- 💡 All parts are poisonous, so wear gloves when pruning
- 💡 Prune in late winter to shape

Like this plant?

Tap the button or scan the code to ask about price and availability.

07

Ixora

Ixora coccinea · Rubiaceae

Also called Rugmini · Chethi · Jungle Geranium

Dense shrub with round clusters of small red, orange or pink star-shaped flowers. Flowers through most of the year.

 Flowers all year

 Pet safety varies

SUN
Full sun

WATER
2–3 times a week

SOIL
Slightly acidic, rich soil

GROWS TO
60–150 cm

CARE
Easy

✦ Did you know?

In Kerala, Ixora flowers (Chethi) are traditionally used in temple offerings and pooja.

PERFECT FOR

Garden

Hedge

Pots

WHY YOU'LL LOVE IT

- ✓ Bright flower balls for months
- ✓ Good for low hedges and borders

CARE TIPS

- 💡 Yellow leaves often mean the soil needs iron
- 💡 Mulch to keep roots cool

Like this plant?

Tap the button or scan the code to ask about price and availability.

 Enquire on WhatsApp

08

Lantana

Lantana camara · Verbenaceae

Also called Raimuniya · Ghaneri

Hardy flowering shrub with small multi-coloured flower clusters in orange, yellow, pink and red. Loves full sun and hardly needs water.

📅 Flowers all year

BEGINNER
pick

🐾 Keep away from pets

SUN
Full sun

WATER
Once a week

SOIL
Any well-drained soil

GROWS TO
30-100 cm

CARE
Easy

💡 Did you know?

Lantana flowers change colour as they age, which tells butterflies which flowers still have nectar.

PERFECT FOR

📏 Borders

🌿 Pots

🌳 Garden

WHY YOU'LL LOVE IT

- ✓ Non-stop colour in full sun
- ✓ Brings butterflies to the garden

CARE TIPS

- 💡 Berries are toxic, so keep away from pets
- 💡 Cut back hard once a year

Like this plant?

Tap the button or scan the code to ask about price and availability.
